RELIEVING LETTER FOR SARAH CONNOR

This is to certify that Sarah Connor was employed with Terralogic Inc. as Lead QA Engineer and has been formally relieved of all employment duties effective November 5, 2026.

During their tenure with us, their conduct and performance were found to be sincere, professional, and dedicated to achieving team goals.

They have satisfactorily fulfilled all handover requirements and complete offboarding clearances across all operational divisions.

We thank them for their valuable contributions and wish them all success and prosperity in their future career endeavors.

For Terralogic Inc.,

Director of Human Resources
